COMPREHENSIVE TRAVELSPORT TS5 PACKAGE

GLÖRIA
SPORTS ARENA

TRAINING CAMP FOR PROFESSIONAL TEAMS AND ATHLETES

ANTALYA, BELEK • TÜRKİYE • TRAVELSPORT.COM.TR

COMPREHENSIVE TRAVELSPORT TS5 PACKAGE

Accommodation, training infrastructure, professional recovery and operational support – all organized by one team.

ACCOMMODATION

BELENLI RESORT HOTTEL

Comfortable team accommodation just 500 m from Gloria Sports Arena: single and twin rooms, three meals a day, SPA, swimming pools, Wi-Fi, laundry service and daily housekeeping.

TRAINING

GLORIA SPORTS ARENA

Full access to Olympic-level sports infrastructure 5 days a week. The coaching staff independently sets the training schedule within the available access periods.

RECOVERY

TRAVELSPORT RECOVERY CENTER

Unlimited access to professional recovery throughout the entire training camp: sports massage, TECAR, ESWT, electrostimulation, compression therapy and other procedures.

SUPPORT

TRAVELSPORT MANAGER

Airport meet & assist, transfers, coordination with the hotel and sports facility, assistance with documents, luggage and any organizational matters.

ACCOMMODATION — BELENLI RESORT HOTEL

Comfortable accommodation for professional teams

KEY ADVANTAGES

- 500 m from Gloria Sports Arena – approximately 5 minutes on foot
- 30 minutes from Antalya International Airport
- Single and twin rooms
- Buffet breakfast, lunch and dinner
- SPA area: sauna, steam room, two hammams and salt room
- Outdoor and indoor swimming pools, children's pool and water slides
- Wi-Fi, daily housekeeping, laundry service, water, tea and coffee

BELENLI RESORT HOTEL

- Accommodation next to the training facility – no dependence on group transfers
- Walking distance to Gloria Sports Arena saves valuable time for athletes and coaching staff
- Comfortable rooms provide proper recovery after training loads
- Meals can be adapted to the team's requirements
- Private beach access with complimentary everyday shuttle service between Belenli Resort Hotel and the beach

TRAINING INFRASTRUCTURE — GLORIA SPORTS ARENA

International-level sports complex for the professional preparation of teams and athletes

SPORTS INFRASTRUCTURE

- Olympic-standard athletics stadium
- Areas for running, jumping and throwing disciplines
- Indoor training areas
- Gym for strength and functional training
- Three heated and cooled swimming pools: 50 m and 25 m outdoor pools and a 50 m indoor pool
- 1,700 m cinder running track
- Ice bath and cold recovery pool
- Sauna, relaxation areas, changing rooms and showers
- Drinking water service throughout the complex

SPORTS ARENA

TRAINING PROCESS — GLORIA SPORTS ARENA

Flexible access to infrastructure according to the team's training program

GLORIA
SPORTS ARENA

FLEXIBLE TRAINING PROCESS

- Access to the training infrastructure is provided on any 5 days of the week according to the team's preparation program.
- The coaching staff independently sets the daily schedule and determines the sequence of training sessions.
- Within the available access periods, athletes may use the stadium, gym, swimming pools and other training areas.
- Different groups and individual athletes may follow their own individual training programs.
- TravelSport coordinates access to sports facilities and required equipment and handles organizational matters with the complex.

RECOVERY

TRAVELSPORT RECOVERY

Most companies provide only accommodation and access to sports facilities. TravelSport additionally includes professional recovery directly in the package, making the team's preparation more comprehensive, efficient and convenient.

LOCATED AT BELENLI RESORT HOTEL —
THE SAME PLACE AS YOUR ACCOMMODATION

travelsport

RECOVERY CENTER

B E L E K

TRAVELSPORT RECOVERY CENTER

Professional recovery at no additional cost is already included in the training camp package

TECAR THERAPY

Wintecare T-Plus

Deep heating of muscles and joints to reduce stress, accelerate recovery and prepare the body for the next training session.

SHOCKWAVE THERAPY

Modus Radial ESWT

Treatment of overloaded areas, fascia and trigger points to support recovery after intensive training loads.

MAGNET & LASER

Comprehensive Physiotherapy

Additional methods to support tissue recovery and accelerate rehabilitation processes.

ULTRASOUND

BTL-4000 Premium Ultrasound System

Localized treatment of soft tissues to reduce tension and improve recovery processes.

SPORTS MASSAGE

Massage Therapist Throughout the Camp

Professional massage is available to the team every day – without travel, waiting or unnecessary logistics.

ELECTROSTIMULATION

Compex Wireless SP 8.0

Muscle stimulation for recovery and maintaining functional muscle condition.

HOW TRAVELSPORT RECOVERY CENTER WORKS

UNLIMITED ACCESS

Professional recovery is available to athletes throughout the entire training camp and is already included in the comprehensive TravelSport package.

POST-TRAINING RECOVERY

Recovery procedures can be scheduled after training sessions based on the volume and type of training load.

INDIVIDUAL RECOVERY PROTOCOL

Recovery can be individually structured for each athlete based on their discipline, training program and current condition.

ONLINE BOOKING

Athletes independently select an available procedure and convenient time through the TravelSport Recovery Center booking system.

CONTINUOUS ADAPTATION

The recovery program is adjusted throughout the camp according to changes in training load and the athlete's condition.

INJURY & OVERLOAD PREVENTION

The recovery program includes preventive protocols designed to help maintain athletes in optimal condition.

A complete recovery system directly at Belenli Resort Hotel — no transfers, no travel time. Just a few minutes after training, recovery begins.

FULL OPERATIONAL SUPPORT

TravelSport supports the team throughout the entire training camp – from arrival at the airport to the return flight.

LOGISTICS

- Airport meet & assist for the team
- Transfer arrangements to the hotel and back
- Departure assistance through check-in and passport control

ACCOMMODATION

- Coordination of all matters with the hotel
- Handling requests regarding rooms, housekeeping and meals
- Prompt assistance with the team's day-to-day needs

SPORTS FACILITY

- Coordination of access to training infrastructure
- Arrangement of equipment, water and required resources
- Handling organizational matters during the training process

COORDINATION

- Dedicated TravelSport manager as a single point of contact
- Monitoring every request until it is fully resolved

01 DEDICATED MANAGER

One responsible point of contact for the team

02 OPERATIONAL SUPPORT

Fast resolution of organizational matters

03 FROM ARRIVAL TO DEPARTURE

Support throughout the entire camp

04 FULL COORDINATION

Communication with the hotel and sports facility

05 RESULT CONTROL

Every request is followed through to full completion
